

## PUBLIC ANNOUNCEMENT

**Public Warehouses Subotica Mark 60 Years of Successful Business**

***The year 2021 in the jubilee spirit Subotica, January 2021*** – This year, Company “Public Warehouses Subotica” (Javna Skladišta Subotica) marks an important jubilee – 60 years of successful business. Experience, professionalism and location in the near vicinity of the European Union, size and capacity of warehouse space, developed infrastructure, implemented HACCP quality standard, as well as the expertise of its employees, have made this Company a reliable partner, to both associates and Clients as well as the Customs Administration.

“For 60 years we have been a synonym of security and efficiency to all our associates. Although we are celebrating the jubilee in changed circumstances, our business plans are still very ambitions. We have entered the New Year by donating to the Home for Children with Development Disabilities “Kolevka” in Subotica. This aid consisted of products for personal hygiene, baby food and products made of processed meat in the value of over RSD 1,150,000. It was our manner of showing to the community in which we operate, that we are a reliable partner, but also of showing our readiness to, together with the citizens of Subotica, create better living and work conditions”, **pointed out Zeljko Beslic (Željko Bešlić), Director of Public Warehouses Subotica.**

The logistics company "Public Warehouses" Ltd. Has, for already sixty years, been a leader in the provision of forwarding, storage and other logistics services in the region of Subotica and the surrounding area. Apart from this, company is the owner of the premises in which a customs termina is located and operates. The company nurtures an excellent business cooperation which influence successful operations related to import and export of goods, especially the phytosanitary, inspection and supervisory services, strictly in compliance with legal regulations.

From 2008 “Javna Skladišta Subotica” is part of Nelt Group, one of the largest and most successful domestic business systems, which operates on 11 markets in Southeastern Europe and Africa and employs almost 4,000 people.
