

PUBLIC ANNOUNCEMENT

## **THE RIGHT START IS KEY TO A SUCCESSFUL CAREER**

### **Nelt has Announced a Competition for Enrolment in a Paid Professional Training Program “The Right Start 6”**

**Belgrade, April 6<sup>th</sup> 2021** - Nelt opens a call for a paid professional training program “The Right Start”. For the sixth time in a row, final year university students, graduating students as well as students of master studies have an opportunity to, through a paid training for a position in the field of Key Account Management in Nelt, acquire valuable professional experience and secure a good career start. Interested students can apply for this program on [Infostud](#) and [LinkedIn](#) sites or on our website [www.nelt.com/karijera](http://www.nelt.com/karijera) until the 23rd of April, after which there shall be a selection process.

The carefully designed training program under the slogan “The Right Start is the Key”, gives participants an opportunity to acquire professional experience in the field of sales. Through six months of work with colleagues Key Customer Account Managers, possessing many years of experience, the participants shall have an opportunity to acquaint themselves with different sales organization levels, as well as duties and responsibilities.

Through training courses and workshops as well as active collaboration with mentors, young people acquire a comprehensive insight into sales operations within a big system and go through all the situations which they may encounter in their future work. Each program phase has as its integral part assesment of knowledge acquired by participants.

“The Right Start offers a program conceived in such a manner that through training courses, work with mentors you acquire knowledge on sales from the very fundamentals. If you add to this your personal ambitions, wish to be engaged in an interesting, dynamic job, gain a wider picture of the overall functioning of business operations, it is evident that you should choose this program”, points out Djordje Kuzmanovic, Key Account Manager and alumni of the generation 2018/2019.

The program which enables ambitious undergraduates and graduating students to acquire professional experience in the field of sales, was launched in the year 2015, and a large number of those who are still today part of Nelt’s Sales Team, speaks of exceptional candidates and excellently conceived training program.

*Led by the idea that hardworking young people are the future of our Company and domestic economy, Nelt Group, the leader in the field of distribution and logistics, with over 4,000 employees operating on two continents, has placed among its strategic priorities investment in education.*
